The Massimos are one of the oldest families of Rome and claim to be the ancient Fabii-Maximus dynasty. They likely have a portion of Maximus ancestry. The Pope is titled the Pontifex Maximus. Massimo or Maximus mean massive or the Latin meaning of greatest. They are the greatest evil. The Fabii family were known for using the "scorched earth" military tactic during the Roman Empire. Scorched Earth is a ruthless tactic where they burn everything down that can aid an enemy like food, resources, and people. The communist Fabian Society uses the wolf in sheep's clothing for its logo. Fabii like Fabian. The Massimos are married with royal bloodlines; the Savoy, Wettins, Bourbons, and the Osorio nobles of Spain which have a family branch in Galicia, Spain. The Wettins are the elder branch of the Saxe-Coburg and Gothas which are the royals in Germany, Britain, Bulgaria, and Belgium. The Massimo family have a close alliance with the Borghese family with Princess Barbara Massimo-Brancaccio married to Prince Scipione Borghese. The Massimos also work closely with the Corsini, Lancellotti, Breakspear, and Pierleoni families. The Pierleoni family are an old Catholic-Jewish family involved with the Vatican and banking and they covertly manage Kabbalah societies with Prince Massimo Pierleoni as a top overseer and architect. Black Nobility refers to the Black Sea along the eastern coast of Bulgaria where some Goths resided. The words mass and bulge can be synonymous. Liotta is a variant of Leotta a feminine version of Leone. Ray Liotta who played the mobster Henry Hill in Goodfellas is a Massimo agent and blood drinking psychopath. I believe Baron August von Senarclens de Grancy who had an affair with Princess Wilhelmine of Baden was a relative of the Massimo family and this is why the House of Hesse created the name Battenberg for suspected Senarclens offspring which later married in with the royal families of Russia, Spain, Sweden, and England. Princess Marie of Battenberg's son was named Count Maximilian and another suspected Senarclens was Princess Maximiliane Wilhelmine Auguste Sophie Marie of Hesse. Solari, Ar-soli, and Apollo refer to the Sun. The Order of the Solar Temple is an international French-Swiss based secret society that was involved in mass murder and suicides. The Massimo family have authority over a faction of the Jesuits through their Massimiliano Massimo Institute and former Jesuit Nobile Collegio Mondragone which had five Massimo presidents. Prince Ferdinando Massimo has been an honorary president of this closed college. Mondragone uses a dragon for its symbol. The Black Nobility use Jesuits as Roman intelligence and infiltrators. The Roman born Mario Draghi is President of the European Central Bank and Draghi was educated at the Massimo Institute. The Black Nobility have control over vast wealth through private Swiss banking. There are three board directors for the Bank for International Settlements connected to Rome including Mario Draghi, Fabio Panetta, and Ignazio Visco. The very evil Prince Giacomo Massimo-Brancaccio worked at Banca Finnat located at the Palazzo Altieri in Rome which has been investigated for money laundering, tax evasion, and market manipulation while working with the Vatican's financial institutions. Prince Placido Gabrielli was a founder of the Banca di Roma and his titles were passed to the Massimo family along with his covert shares in the Bank of Rome.

The Massimos are the foundations of the global crime syndicate and they are involved in every crime imaginable including war crimes, terrorism, murder, extortion, threats, human trafficking, money laundering and more. The Massimo family also run organized crime in Rome like the Magliana Mafia and were one of the families behind the neo-fascist group Nuclei Armati Rivoluzionari headed up by their agent Massimo Carminati who was sentenced in 2017. The Massimos are terrorists. This family has a portion of ownership over various mafias including the Corleonesi Clan, Magliana Mafia, Gambino crime family, Clerkenwell Mafia, Lanza crime family, Philly Mob, Irish Mafia, and Boston crime family. The rap group Wu-Tang are associates of the Gambinos and members like Ghostface Killah and Raekwon are members of the modern day Drug Council an African American mafia of drug dealers. Wu-Tang has a song called Wu-Gambinos. Most mafias pay dues back to the Massimo family through their Corleonesi Clan. Individual mafia families make billions per year. I believe the Massimo Palazzo has an underground tunnel connecting to the basement of the Vatican which is how they have maintained their control. Donna Alessandra Malesci works with Prince Fabrizio Massimo managing female members of Cosa Nostra and she is a psychopathic child murderer. Alessandra Malesci is pure evil. The Massimos have recently married with the Carpegna-Falconieri-

Gabrielli family which function as their support with Count Antonio di Carpegna Falconieri Gabrielli and Count Tommaso di Carpegna Falconieri Gabrielli as a current members. Philip Falcone is an agent of the Capregna-Falconieri-Gabrielli family and is an investment banker in the US that created Harbinger Capital and he has been investigated for various financial crimes. Falcone paid off the US Securities and Exchange Commission 18 million for crimes he committed against other people to get them to drop their charges. Prince Giacomo Massimo-Brancaccio's actual and unnamed father is another high level and well guarded member of this wicked family and possibly living in France, French Polynesia, and or in Belgium. His name might be Fabrizio. There may be two Fabrizio Massimos. The Massimo family are the greatest source of wickedness on Earth.

Prince Fabrizio Massimo-Brancaccio with Donna Alessandra Malesci. Prince Fabrizio Massimo-Brancaccio is the primary owner of the Vatican and Cosa Nostra and has part ownership over every major mafia in the world. His girlfriend Alessandra Malesci is a high level female mobster that manages feminist cults of Wiccans and Amazons. Alessandra Malesci is a ruthless child murderer and is a female gangster. A witch named Meghan Parsons often works under Alessandra Malesci and she is criminally financed by a Massaro financial firm in her area. The Massimo family finance gang stalkers through offshore accounts using

aliases for names. Once the gang stalker earns enough they go to vacation resorts run by mobsters where they purchase children which they rape, murder, and cannibalize and pay for it through their gang stalking earnings held in offshore accounts. The Massimos control gang stalking through organized crime.

They took her to Triggiano, a village south of the port of Bari. There, she later told Italian police, she was **confined to a 16 sq metre airless room in a decrepit house with three other young women** - Shpresa, 25, from Drenica in Kosovo, and two Albanians. The women had to share two torn mattresses and were fed only tinned food and bread.

The Massimo family is **sometimes regarded as one of the oldest noble families in Europe**. According to the work "De Gente Maxima" written in 1556 by the Augustinian historian Onofrio Panvinio (1530-1568), the family **descends by paternal line of the old "Gens Fabia" or "Maximi" of the Republic of Rome** and Quintus Fabius Maximus Verrucosus (c.275 BC - 203 BC), called Cunctator ("he who delays"). When Napoleon asked Prince Massimo, (with whom he was negotiating the Treaty of Tolentino) if the family descended from Fabius Maximus, he replied: "I can not really prove it, it's just a rumor that has been running for two hundred years in our family."

The Massimo family is also known for having **provided two Popes to the Catholic Church**, both saints: Pope Anastasio I (who died in **401**), who denounced the Origenist heresy, and Pope Paschal I (who died in **824**), who He opposed the Frankish Kings and engaged in one of the earliest attempts to Christianize Scandinavia.

The best-documented history of the present family dates back to a Massimo who prospered by the year 950, and who is identified as **Leo de Maximis in 1012**. From then on the family increased its influence among the Roman barons, and played a role considerable in the history of the city in the Middle Ages, giving rise to numerous cardinals, ambassadors and civil and military leaders.

Prince Filippo Massimo-Lancellotti is a Roman noble and the top architect of various forms of witchcraft including Druidism, Kabbalism, Illuminationism, and Wicca. Prince Filippo is the Vatican's top wizard. Prince Filippo's father was Prince Paolo Massimo-Lancellotti who was born in Germany and from the Roman Massimo-Lancellottis through his father and Belgian Merode noble family through his mother. The Massimo-Lancellottis also manage groups like Anonymous including Q Anon which is trying to hijack opposition against the New World Order and steal and incorporate elements from real people who expose these criminals. Q Anon is a Jesuit managed DARPA program of imitation and Trump worship. Whenever I add new information into my articles these hackers freeze up my computer or censor my website and babble about they are going to put the information out first. That is how psychotic they are. I added Michael Santomassimo to this article and they froze up my computer for 20 minutes. Then after I restarted my computer, logged back in, and added the information, I was kicked out of my account and had to log back in and rewrite it.

Prince Ascanio Massimo-Lancellotti is an owner of the Sicilian Mafia and Lanza crime family and he also oversees the Odescalchi family. Prince Ascanio's mother was Princess Anna Odescalchi which makes him a cousin of Prince Carlo Odescalchi. The Massimo-Lancellottis have covert shares in Lancia Automobiles owned by Fiat and the Agnelli-Elkanns which are billionaire agents of the Black Nobility. The Lanzas of southern Italy established themselves in Rome as the Lancellottis and they merged with the Massimos creating the House of Massimo-Lancellotti.

Castello di Lauro Massimo-Lancellotti in the region of Campania in southern Italy is still owned by the Massimo-Lancellottis. The Lancellottis are related to the Sicilian Lanza di Scalea family and they share ownership over the Lanza crime family headquartered in San Francisco and they have spread nationally and were involved in the fake Sandy Hook shooting.

Massimo Brancaccio or Billy More was an Italian drag queen and a relative of the Massimo-Brancaccio family. The occult are obsessed with women with male genitals who rape, murder, and cannibalize children so they get men to dress up as women and do this. They are obsessed with this and are willing to eternally die over their pathetic attempt at achieving this demonic goal. Nearly every member of the occult are completely obsessed with this. It is very possible that Massimo Brancaccio faked his death. They did this with Prince also a drag queen or transvestites although he is not recognized as one for some reason. The singer Prince did fake his death and has been hiding out on islands and has been sacrificing children. Prince was in Costa Rica and may have moved to the French Polynesian islands like Bora Bora or could still be in Costa Rica. Prince Fabrizio Massimo-Brancaccio is really depraved and he manages cults of transvestites.

Paolo Bulgari and his brother Nicola Bulgari are each worth over 1 billion. Bulgari was investigated for tax evasion in New York during the 1980's and more recently their assets were seized for tax evasion in Italy. The Bulgari family and other jewelers also launder criminal profits for mafias and they do this by marking up their jewelry with the laundered criminal profit as the mark up. Jewelry does not always have a fixed value which makes this easier than other products.

Bulgari firm pleads guilty to tax evasion

NEW YORK -- Jewelry store executives pleaded guilty Friday in a **sales tax evasion scam** that **discounted purchases by Henry Kissinger, Frank Sinatra, Mary Tyler Moore, Donald Trump** and other well-to-do shoppers.

Executives for the swank Bulgari jewelry store on Fifth Avenue admitted the store **failed to pay sales taxes on \$1.5 million worth of jewelry it sold**. They must pay almost \$2 million in fines and penalties, officials said.

Months earlier, the grandsons of the Bulgari founder were caught up in a less glamorous occasion: the **seizure of Bulgari's office on Via Condotti by Italy's tax police** – the Guardia di Finanza – which confiscated the property in 2013 as **part of a €46m (£33m) asset seizure** following allegations of tax evasion. This week, an **Italian judge ordered Nicola and Paolo to stand trial on charges that they and 11 others evaded taxes from 2006 to 2010**. Both deny the charges, according to a Bulgari spokesman.

In the case of **Bulgari**, investigators have alleged that some of the company's **executives evaded hundreds of millions of euros in taxes** on about €3bn in revenue, **generated in Rome**, by moving its profits into **low-tax subsidiaries such as Switzerland, Ireland, and the Netherlands**.

Police said in a statement at the time of the property seizure in 2013 that they had uncovered an “escape strategy” at Bulgari, which used an Irish subsidiary to sidestep the Italian tax system.

Bulgari (/ˈbʊlgəri/, Italian: [ˈbulgari]; stylized as BVLGARI) is an **Italian luxury brand** known for its **jewellery**, watches, fragrances, accessories and leather goods.

The trademark is usually written BVLGARI in the classical Latin alphabet, and it is derived from the surname of the company's founder, Sotirios Voulgaris (1857–1932; Greek: Σωτήριος Βούλγαρης, pronounced [soˈtirjos ˈvulɣaris]).[3] The root of the surname Voulgaris is Βούλγαρ (Voulgar), which in Greek translates as "**Bulgarian**".[3] In Italy, he changed it to Bulgari, which appropriately translates as "**Bulgarians**" in Italian.[3]

Coat of arms of the House of Massimo with two golden lions holding up the shield. Bulgaria was ruled by the House of Mountbatten which was created through Princess Wilhelmine of Baden who had an affair with the Knight of Malta August von Senarclens de Grancy who was the real father of several of her children and that is the real reason the name Mountbatten was eventually established for these offspring. Gran as in Grancy means Great or Big in Spanish, Italian, and Catalan and the name Massimo means Greatest. I believe August von Senarclens de Grancy was a Swiss relative of the Massimos and that is why several of the Senarclens de Grancy offspring took the name Maximilian the German version of Massimiliano including Senarclens' daughter Princess Maximiliane Wilhelmine Auguste Sophie Marie the Empress of Russia, and also his grandson Count Maximilian of Erbach-Schonberg.

Prince Valerio is bisexual and is a transvestite that lusts to rape, murder, and cannibalize little boys. He is blatantly effeminate and he is proud of it. Prince Valerio needs to be hunted down and the only execution he deserves is being burned alive or tortured slowly. Painful deaths is the only way to execute these devils. Leon Black is a Jewish billionaire worth nearly 7 billion and he is a co-founder of Apollo Global Management. These criminals often organize themselves through names like Leon Black and Giacomo Leone Massimo and this tells other criminals including rivals who works with who and how they are organized. So if someone goes after Leon Black they know they are going after the Massimo family as well.

The **Order of the Solar Temple**, also known as Ordre du Temple Solaire (OTS) in **French** and the International Chivalric Organization of the Solar Tradition, or simply as The Solar Temple, is a secret society and sect that claims to be based upon the ideals of the **Knights Templar**. OTS was started by Joseph Di Mambro and Luc Jouret in 1984 in Geneva as l'Ordre International Chevaleresque de Tradition Solaire (OICTS) and later renamed Ordre du Temple Solaire.

A few days later[clarification needed], Di Mambro and twelve followers performed a ritual Last Supper. A few days after that[clarification needed], apparent **mass suicides and murders** were conducted at Cheiry and Salvan, two villages in Western Switzerland, and at Morin Heights—15 inner circle members committed suicide with poison, **30 were killed by bullets or smothering**, and **8 others were killed by other causes**. In Switzerland, many of the victims were found in a secret underground chapel lined with mirrors and other items of Templar symbolism.

Another mass-death incident related to the OTS took place during the night between the 15 and 16 December 1995. On 23 December 1995, **16 bodies were discovered in a star-formation in the Vercors mountains of France**. It was found later that two of them shot the others and then committed suicide by firearm and immolation.

There was also evidence that many of the **victims in Switzerland were drugged before they were shot**. Other victims were found in three ski chalets; **several dead children were lying together**.

This evil creature Prince Fabrizio thinks he is equal to the creator. Fabrizio means Fabricator and Massimo means Greatest. Prince Fabrizio Massimo is the Greatest Fabricator of Lies and Evil. If there is a devil on the Earth then it is Prince Fabrizio Massimo-Brancaccio.

Prince Fabrizio Massimo-Brancaccio murders people including young girls as sacrifices at his Castello Massimo Arsoli.

More powerful than the head klan of the Saturnalian Priesthood House of Cecil-Pallavacini? I'd put the Saturnalian Priesthood above the Black Nobility in the NOW hierarchy...

There is no Cecil-Pallavicini family. There is a Cecil noble family of England and there are the Pallavicini families of Italy and Austria and they are members of the Black Nobility. Yes the Massimos are above the Pallavicinis in authority. The Pallavicinis directly serve the Massimos.

The things you said sounds like Craig Oxley propaganda.

Hi, I love your posts but I would like to know some sources' origin if it's possible. For example, you link Gambino mafia to the Massimo family and I would like to be explained why is like that (besides all of Sovereign Order of Malta post ones due to the lack of verified data).

In other words, I would be glad to receive some evidence-based data besides wikipedia references in most cases (books, documentaries, papers, films, reliable user accounts, among others). Thanks

Amazing info - there is no information anywhere on the Black Nobility and its heirarchy.
